

CONSERVATION TECHNOLOGY CENTRE

PCRA proposes to utilize a part of the space available on the first floor of its HQs at Sanrakshan Bhawan in New Delhi to establish a Conservation Technology Centre. The Centre which would be established in an area admeasuring 5000 sq. ft. (approx) would provide the leading manufacturers of energy efficient equipments and technologies to display information about their products.

The Centre would be a first of its kind, which would provide a permanent space for the display of energy efficient technologies and products.

Space for modular display shall be provided for the display of material/product to interested parties in the Conservation Technology Centre. The approximate floor area to be provided to each party would be 0.5 sq.mt. and the rates (exclusive of service tax) are as below:

Participation Rates				
S No	Display Type	Duration	Amount	Special package
1	Modular Display	One Year	75,000	75,000
		Three years	2,25,000	1,91,250

Interested parties shall either give the display material in CD and also give the material for display in standard size in adequate quantities.

Parties may submit their proposal for display to PCRA addressed to

Additional Director (FA)
Petroleum Conservation Research Association
Sanrakshan Bhawan
10 Bhikaji Cama Place
New Delhi-110 066
